HERO MOTOCORP SELLS 4.19 LAKH UNITS OF MOTORCYCLES AND SCOOTERS IN APRIL'22, WITH A GROWTH OF OVER 12%

Hero MotoCorp, the world's largest manufacturer of motorcycles and scooters, sold **418,622** units in April 2022.

The company reported a double-digit growth of 12.4% over the corresponding month of the previous year (April 2021), when the company had sold 372,285 units.

With the economy gradually opening up and continued government policy support, April volumes indicate the continuously improving consumer sentiments.

Earlier this month, Hero MotoCorp partnered with Directorate of Indian Army Veterans and handed over Hero Destini 125 scooters to the soldiers who were disabled while in service. These retro-fitted Hero Destini 125 scooters are supported by two auxiliary wheels in the rear - which have been customised to provide a safe and convenient riding experience. The company has already handed over more than 100 such retro-fitted Destini scooters to the soldiers in various states across the country.

In the month of April, Hero MotoCorp collaborated with the Automotive Skill Development Council (ASDC) for "Project Jeevika", to upskill and train two-wheeler market technicians across the country on BS-VI Technology. The company has already trained more than 6000 technicians through TVET (Technical and Vocational Education and Training) ecosystem.

In keeping with its unwavering commitment towards the preservation of biological diversity under the Project Hero Green Drive, the company handed over 250 Hero Glamour Motorcycles to the Haryana Forest department and Compensatory Afforestation Fund Management and Planning (CAMPA) authority to commemorate World Earth Day, this year.

Hero MotoCorp was honored with Self Certification Status for Indian Army Supplies by DGQA – Director General Quality Assurance, Ministry of Defence for its best quality procedures, process and products in the automobile industry.
